Weekly HEALTH TIP

LYME DISEASE

White-tailed deer carry the bodies Dammin Tick, which causes Lyme Disease in humans. Early symptoms of the disease include body rash and flu-like symptoms, with long term serious effects such as arthritic pain and swelling, heart damage and immunological disorders possible.

If you have concern that you may have contracted Lyme Disease, a simple blood test at the doctor's office can determine its presence and an antibiotic medication is available to effect a cure. Early detection is important.

FOR RENT: Apartment, 2 bedrooms, living room, dining room, kitchen, bath, $310 a month. 432-3635

PA fairs booklet now available

The 1990 Pennsylvania Fairs Booklet may be obtained from Pennsylvania Beam Smith.

The booklet lists the dates, locations and contact persons for the 112 agricultural fairs scheduled this summer and fall in the Commonwealth.

Rep. Smith noted that the exciting sport of harness racing (trotters and pacers) is conducted at several of the fairs. The booklet lists the racing conditions and post times for races at each of the tracks.

Last year, more than seven million people attended Pennsylvania fairs such as the Dillsburg Community Fair.

Rep. Smith noted that the agricultural community is especially proud this fair season to celebrate the 75th anniversary of the State Farm Show in Harrisburg, Jan. 6-11, 1991.

Rep. Smith said copies of the Agriculture Department booklets are available at his district office, 540-B Industrial Drive, Fairview, Industrial Park, Lewisberry, Pa. 17339. The telephone number is 939-4958.

Support group for caregivers

The Social Services Department of Holy Spirit Hospital offers a support group for caregivers-those who are responsible for caring for dependent elderly or chronically-ill persons. The service is free and open to the public.

The group will meet Wednesday, July 11 from 7 to 9 p.m. in the Radiology School classroom of the hospital on the second floor. The group meets regularly the second Wednesday of each month.
